

## **INTEGRATED POLICY OF SAFETY, OCCUPATIONAL HEALTH, QUALITY AND THE ENVIRONMENT**

Shipping and Customs Representations S.A.C (RENADSA), is a company dedicated to providing services of Agency, Maritime Operations and Attention of Terminals for the loading and unloading operations of Hydrocarbons.

The Company, through this policy, establishes its commitment for the operations to be developed:

1. Fulfilling our customer's requirements and other interested parties in order to achieve their satisfaction.
2. Living a culture of risk management along the processes to prevent possible deviations or non-conformities in the Integrated Management System.
3. We provide safe and healthy working conditions for the prevention of work-related injuries and deterioration of health, eliminating hazards and reducing the risks to which our internal and external collaborators are exposed, as well as the company's own assets.
4. Controlling possible environmental issues/damage/harm in order to protect the environment, including pollution prevention and sustainable use for resources, from the perspective of the product's life cycles and services involved.
5. Preventing all illicit activity, corruption and bribery in our operations and activities.
6. Establishing the prohibition of the consumption, possession and transportation of alcohol and drugs.
7. Ensuring the integrity of data by the company using information technologies in physical and / or digital format, required by internal and external stakeholders, in order to guarantee the confidentiality, integrity and availability of the information.
8. Complying with the applicable legal requirements, internal regulations and other agreements that the company subscribes within the framework of the Integrated Management System.
9. Guaranteeing that workers and their representatives are consulted and participate actively in the Integrated Management System.
10. Improving continuously the effectiveness of the Integrated Management System in benefit of achieving the company's strategic goals.

This Policy is reviewed periodically, updated whenever required and communicated appropriately at all levels of the organization and available to interested parties; adequately, it serves as a basis for establishing the objectives and goals that allow the organization to lead to continuous improvement.
